

## **Investment Policy**

Objectives: The objectives of the Library's investment policy are to safeguard funds, to minimize risk, to ensure that cash is available when required, and to ensure a competitive rate of return.

Summary: In accordance with this policy, the Treasurer is authorized to invest and/or deposit all funds, including proceeds of obligations and reserve funds, in time-deposit accounts, certificates of deposit, and short-term government securities, subject to any investment regulations approved by the Board of Trustees. To the degree possible, investments and deposits shall be made in and through local or regional financial institutions. Concentrations in a single financial institution shall be avoided. Diversification of investments and deposits is encouraged. This policy will be reviewed annually by the Board and may be amended from time to time in accordance with applicable legislation, regulation, and bylaws.
